<p>REASON: Thoroughly explain the need and reason for the proposed change per the Administrative Procedures Act of 1969 PA 306, MCL 24.245 to include the following:</p> <ul style="list-style-type: none">-Identify the problem.-Explain the rationale for the proposed change.-Describe the environmental impact.-Is the proposed change comparable to federal rules or national or regional standards in similarly situated states, based upon geographic location, topography, natural resources, commonalities, or economic similarities? If the proposed change exceeds standards in those states, explain why and specify costs and benefits.-Identify individuals and groups affected by the proposed change and the impact on these groups.-Are there any reasonable alternatives to the proposed change? If so, please provide those alternatives.-What is the fiscal impact for the proposed change? Provide a cost/benefit analysis.-Estimate the actual statewide compliance costs of the proposed rule.-What are the primary and direct benefits of the rule?-Estimate any cost increases or reductions to businesses, individuals, groups, or governmental units as a result of the rule. <p>As well as any other information appropriate to assist with a clear understanding of the issue. During the rulemaking process, the need and reasonableness of all proposed rule changes must be identified; therefore, a detailed explanation is necessary to ensure the general public understands all aspects of the proposal. Failure to explain the need and rationale for the proposal in accordance with MCL 24.245, may result in the proposal not meeting justification and merit.</p>
