**R 338.1772 Application requirements; limited licenses; disclosure of supervision requirement.**

Hughes inquired if the rules could add another license classification, to better distinguish those who have met the supervisor requirements.

MacIntosh said that the addition of another licensure classification would require a statutory change. MacIntosh further said that R 338.1781 requires a supervising licensee to supply a statement about the supervisor's qualifications, and that the burden also falls on the supervisee to ensure the supervisor satisfies necessary requirements.

The Rules Committee agreed that the disclosure statement should identify the licensed professional counselor who is supervising the limited licensed counselor's practice and the licensed professional counselor's supervising qualifications, including how the supervising licensed professional counselor satisfies the requirements in subrules (1) and (2) of R 338.1781.

**R 338.1774 Application requirements; licensure by examination.**

Hughes recommended that for a licensee who has completed a master's degree to allow, no more than 75 of the 100 required in-person hours to be accrued via 2-way real-time audiovisual technology. Further, a licensee who has completed a doctoral degree should be allowed to accrue not more than 40 of the 50 required in-person hours via 2-way real-time audiovisual technology.
