VIII. Instructions for Completing Application **Make checks payable to "State of Michigan"**

General: Electrical work shall not be started until the permit has been issued with the Bureau of Construction Codes. All installations shall be in compliance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.** The telephone number for the inspector will be provided on the permit form. When ready for an inspection, call the inspector providing as much advance notice as possible and provide the **job location, permit number, and contact information. Schedule permitting, the inspector will respond to an inspection request within two (2) business days to schedule the inspection. Inspections are typically performed within five (5) business days subject to the inspection schedule.**

Expiration of Permit: A permit remains valid as long as work is progressing, and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within 180 days after issuance of the permit or if the authorized work is suspended or abandoned for a period of 180 days after the time of commencing the work. **A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN 180 DAYS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED. THE CHARGE TO RE-OPEN A CLOSED PERMIT IS \$75.00.**

Where to Submit Application: The Bureau of Construction Codes is responsible for code enforcement in units of government throughout the state which have no local inspection authority and for all state-owned buildings as well as school construction where a local delegation of authority does not exist. Prior to applying for a permit, please review the [Statewide Jurisdiction List](#) for anything other than K-12 Educational Facilities. For K-12 Educational Facilities please review the [Local School Construction Enforcement List](#). This information is updated regularly due to changes in the construction code enforcement authority as they may be conducted by either the state, county, or local unit of government. A permit application must be submitted to the appropriate enforcing agency based upon these lists. Permit applications should be sent to the address on the first page of this application. Questions regarding issued permits may be directed to bccpermits@michigan.gov or 517-241-9313.

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

I _____ (name), _____ (title), attest that the statements, specifications, and plans submitted with this application are true and complete and contain a correct description of the building or structure, lot or parcel, or proposed work. I further attest that this application complies with the requirements of MCL 125.1510 and that I am a person authorized under MCL 125.1510(2) to make the statements and attestations contained in this application under MCL 125.1510(2).
