517-284-3247 MSPCVEDRecruiting@michigan.gov www.mi.gov/mspjobs

**approximate based on 2021 contract*

The Michigan State Police is looking to add members to the ranks of the Commercial Vehicle Enforcement Division.

If you are looking to make a difference in the lives of millions of Michigan motorists, consider a career as a Motor Carrier Officer. Motor Carrier Officers enforce traffic safety laws on commercial vehicles, protect the infrastructure through size and weight enforcement, conduct commercial vehicle and driver inspections, enforce hazardous material regulations, and contribute to homeland security efforts.

Motor Carrier Officers also respond to emergency situations and assist other law enforcement agencies. They are a resource across the state in incidents involving commercial vehicles.
