

SUMMER IN THE CITY

Summer in the City is a unique summer program in which students ages 14-20 who are blind or visually impaired can meet and create friendships with their peers from surrounding Michigan cities. Together, they explore various experiences throughout West Michigan.

The program combines budgeting, exploring transportation options, cooking skills, and leadership development to set up the foundations for future job/volunteer opportunities.

Who:
Students aged 14 to 20

Where:
Trinity United Methodist
Grand Rapids, MI
