

COLLEGE PREP

June 24 – August 14, 2024

Are you a High School Junior, Senior or recent high school graduate, looking for a real-life college experience before becoming a full-time student? This program is for you!

- Take an in-person WMU Class and receive credit!
 - Gain college readiness skills needed for your transition to college!
- Experience campus and dorm life as a student!
 - Enjoy a college social life including café experiences and student center access!
- Work a part-time on campus job and earn a bi-weekly paycheck!

This program is designed to provide BSBP customers with the training and skills needed to become successful full-time college students!

*****Interested students will need to provide an official High School transcript. *****

PSRP must be completed before attending College Prep!
