

Michigan Veterans' Employment Services

Helping you launch and support your Michigan Patriot Care Services Program!

The **Michigan Veterans' Employment Services** team is working with your local **Michigan Works!** and other partners to create a **comprehensive network of services** that will **support local employers** and significantly impact the lives of **those who have dedicated themselves to serving our nation**.

The **Michigan Patriot Care Services (MI-PCS)** initiative is designed to help participating employers address critical workforce needs by **attracting** and **retaining valuable veteran talent**.

About the MI-PCS Initiative

- MI-PCS strives to raise awareness about **employment opportunities** and **resources** available for **veterans with significant barriers to employment**.
- While actively fostering a supportive environment for veterans and their families, MI-PCS aims to engage and support **employers** in the **healthcare** and **transportation** sectors to help them **address their workforce talent needs**.
- The MI-PCS initiative provides tangible resources and programs designed to address the unique needs of **veterans**, qualified **spouses** and **caregivers**, **dependent children**, and **transitioning service members**.
