

PART OF ACTE ONLINE LEARNING NETWORK

Online Learning Center

The Best Preparation for CTE Professionals – CTE Learn

- More than 150 interactive courses specifically developed for CTE teachers, administrators and school counselors/career guidance professionals
- Each course includes 4 contact hours of high-quality professional development and successful completion earns 4 SCECHs
- With each registration, participants receive a free registration to CareerPrepped, an online work-based learning program for use with CTE students
- **NEW:** 21 courses specifically addressing how to effectively move your CTE courses to an online delivery approach

If you have questions, contact Mikki Spagnoli at mikki.spagnoli@lewiscassisd.org

MI ACTE IS Michigan's state association for career and technical education. Compare the benefits of MI ACTE's CTE Learn to other professional development options. With the summer special starting on **June 1** with a 50% discount, MI ACTE offers access to 150+ credit courses (up to 600 clock hours) for only \$149 per person (regular rate is \$298), and participants have an entire year to access the full catalog. Additionally, MI ACTE course completers can apply for college credit from Central Missouri State University.

OFFER

Use the VIP Code **CTE50** to receive
50% OFF the normal cost of subscribing
