EXPANDED IN-PERSON COVERAGE OF PRESS BRIEFINGS:

Protecting the public's health and mitigating the spread of COVID-19 continues to be a top priority for the administration.

The aggressive actions taken by the governor were proven to have significantly lowered the number of cases and deaths that would have occurred had the state done nothing. Data also shows that very few states dropped their infection rate as low for as long as Michigan.

Moving forward in that same spirit, with safety as the priority, we will expand the number of reporters covering press briefings in person. Please see below for additional information. These are unprecedented times and we will continue to adjust as needed.

RSVP DIRECTIONS:

To RSVP and attend the press conference in person, please email press@michigan.gov with your first and last name and outlet.

RSVPs will be considered in the order they are received. Space is limited due to social distancing and COVID-19 restrictions.

To be considered, RSVPs must be received by 5 p.m, today.

If your attendance is confirmed, you will receive a confirmation email from our office.

For situation summaries, testing results and the latest updates surrounding Coronavirus (COVID-19) in Michigan visit, <https://www.michigan.gov/coronavirus>.
