Pen Pal Program

Oakland County Parks and Recreation invites you to join a **NEW!** Pen Pal Program. Participants in the program will be paired with others to exchange stories, memories, inspiration and cheer through mailed or emailed postcards.

Participants will receive specially-designed postcards or emails featuring different artwork and nature scenes in the Oakland County Parks, which can be used to write to your Pen Pal.

Postage will be provided.

This is a **FREE** program that will launch in February 2021. Register by Jan. 27 to be paired with your Pen Pal Partner. We're still accepting registrations after Jan. 27, however late registrations may cause a delay in Pen Pal pairing

Call 248-858-0916 or email events@oakgov.com to register.
HAPPY WRITING!

*Sincerely,
Oakland County Parks and Recreation*
