

# MI Future Educator Fellowship Process

## Application

Student applies for the MI Future Educator Fellowship in the MISSG Student Portal.

## Eligibility

Student is evaluated as 'Eligible' or 'Ineligible' based on their responses to the application questions.

## Verification

'Eligible' students are identified in MISSG for the institution to confirm the students meet the additional eligibility criteria.

## Confirmation

Students who are confirmed as eligible by the institution will be issued a Commitment to Teach in Michigan Agreement via email, for electronic signature.

## Commitment

Students who sign the Commitment to Teach in Michigan Agreement will be identified in MISSG for the institution to request a reimbursement.

## Reimbursement

The institution completes reimbursement request for tuition and required fees for each eligible student, up to a maximum of \$10,000 per academic year.

## Payment

Michigan Department of Treasury issues payments to the institution, as requested on the reimbursement.

## Disbursement

The institution disburses payment to students and applies payment to their student account.
