

# BECOME AN **ASSET MANAGEMENT** CHAMPION TODAY!

## New Cohort Forming for 2026

Running **January 13-April 28**

As an infrastructure manager, you know how difficult it can be to navigate your community's framework of essential assets.

Join 700+ champions statewide by completing our asset management program to learn ways to take a proactive approach.

### Participants are equipped with:

- 25 hours of free training.
- Networking opportunities.
- Consultations with industry experts.
- Continuing education credits.

**Space is limited. Apply today and refer a friend or colleague!**

Application Deadline: **January 6, 2026**
