About the speaker: If you've been to a career fair, then you've already heard "We don't want your resume - please apply online" ... or "Don't call us. We'll call you." **Catherine Byers Breet** (www.arbez.com) will tell you WHY ... and what to do about it. She is a 17-year recruiter who has interviewed thousands & hired hundreds. She's manned too many job fair booths to remember, and trained dozens of other hiring managers and recruiters how to do it effectively. **Let her show you how to make your next job fair your last.**
