

College Tour!

A Vanward Consulting Initiative

The College Tour is a two hour Event that provides Blind and Low Vision High School Students with the opportunity to learn about different Colleges from representatives of the College's Disability Services Organizations. Each Tour Guide will provide a 20-minute presentation (including Q&A). The individual presentations will include:

- A brief description of the College/University
- A description of Services offered by the Disability Services Organization
- Suggestions on when and how to reach out to seek support.
- A reinforcement of the importance of having a plan and initiating engagement with Professors, Counselors, Department Heads, Etc.

The College Tour is intended to provide students and their parents with a general idea of the range of services that may be expected and a list of questions to consider when transitioning to the College setting. All types of colleges are invited to participate (e.g., Commuter, 4-Year, 2-Year, Online, etc.).
