

Attention High School Graduates & College Students!

Are you interested in a paid internship in 2026?
Check out the Lean In! Program, a Vanward Initiative

The Lean In! Program was designed for people like you, by people like you to help you prepare for your career. The Lean In! Program is designed, developed, and facilitated by Blind and Low Vision individuals who have achieved success, and includes:

- Self-assessment
- Professional branding
- Understanding the skills required to be self-employed
- Skills inventory
- Interviewing with confidence

Mastering these skills is critical to achieving the career that you desire. We will show you how.

To be considered for this revolutionary Program requires each Candidate to commit to:

- Attending eight monthly training sessions
- Working on career research and other assignments between monthly sessions
- Actively participating in workshop activities

Your hard work will be rewarded by **earning** the opportunity to attain a paid internship with one of our corporate Partners. **Earn** is the operative word here. We will provide the opportunity; you must supply the energy. Are you up for it? Do you have what it takes?
