

ATTENTION

High School Juniors & Seniors!

Do you want to turn your passion into income?
Check out Lean In! Prep 2026, A Vanward Consulting Initiative

Lean In! Prep is a program that is developed and facilitated *for* people like you *by people like you*. Lean In! Prep Explorers will learn about different career options that are aligned with their interests and will have the opportunity to collectively run their own small business.

As a Lean In! Prep Explorer, you will:

- Learn how to leverage your so-called disability for success.
- Participate in starting an online Store.
- Sharpen your technology skills to be better prepared for higher education and/or future employment.
- Learn how to be individually accountable and effective within a team.
- Be paid for your hard work.

Participants in this innovative program must:

- Be a High School Student.
- Have access to the Internet suitable for virtual meetings.
- Be a customer of State Vocational Rehabilitation
- Be committed to participate in all Lean In! Prep group activities.

There *is* life after High School. What you receive in dollars can be complemented by a sense of fulfillment. Are you interested in developing the tools to be ready? Lean In! Prep 2026 can help.

Go Explorers, GO!
