

DPS-ECN Webinar Series – Q1 2021

The Minnesota Department of Public Safety division of Emergency Communication Networks (DPS-ECN) invites you to participate in a series of educational/informational webinars that we will be hosting throughout 2021. These sessions are intended to provide our stakeholders with an opportunity to learn more about the governance, technology, and operational aspects of Minnesota's emergency communication systems (9-1-1, ARMER, Wireless Broadband, and IPAWS). The schedule and discussion topics for the Q1 2021 webinar sessions are listed below.

Who Should Attend:

- Elected officials representing local, county, state, and tribal entities.
- Representatives from the SECB board, committees, and workgroups.
- Representatives from the state's seven Emergency Communications/Emergency Services Board regions.
- Representatives from the state's public safety professional associations.
- Public Safety Answering Point (PSAP) personnel.
- Emergency responders representing all disciplines.

Additional Information:

- No pre-registration is required. You can access these sessions by clicking on the WebEx meeting link.
- For stakeholders that cannot attend the live session, a link to a recording will be posted on the DPS-ECN [website](#).
- Questions or concerns? Please contact one of the DPS-ECN Regional Interoperability Coordinators (RICs):
 - Marcus Bruning at marcus.bruning@state.mn.us (representing Northern MN, East Central MN, & Metro area)
 - Steve Tait at steven.tait@state.mn.us (representing West Central & Southern MN)
