

All-Hazards INCM and INTD Awareness Overview

Join us for a special offering of the All-Hazards INCM/INTD Awareness Overview course. This four-hour course, presented by instructors with experience in dispatch operations and working as COMLs, INCMs, and INTDs, will provide an overview of the ICTAP INCM/INTD courses as well as lessons learned during ICC operations for actual NSSE/SEAR incidents and events. This is an awareness session only; no course completion certificate or position task book will be issued.

WHO SHOULD ATTEND

Communication Unit Leaders, Dispatch Supervisors, Public Safety Communication Professionals, and staff who are involved in the management of all functions in an Incident Communications Center

OBJECTIVES

1. Provide an overview of relevant topics for those serving in the All-Hazards ICS INCM and INTD positions.
2. Review topics including Communications Unit basics, personnel considerations, preparedness, mobilization, ICC setup and operations, and demobilization.
3. Conduct interactive activities for each participant.
