Minnesota/Wisconsin 10-4 Day Communications Exercise

Do you like public safety radio? Are you interested in interoperable communications and want to test your skills? Then brush off your NIFOGs and double-check your PL tones, because registration is now open for the Minnesota/Wisconsin 10-4 Day communications exercise.

This one-day functional communications exercise is planned by the Minnesota and Wisconsin SWIC's Offices, in partnership with Douglas County Wisconsin and St. Louis County Minnesota.

The exercise objective is to test cross-border interoperability as well as provide COMU position task book (PTB) opportunities for trainees.

10-4 Day will take place on **October 4th, 2024** at Head of the Lakes Fairgrounds (4700 Tower Avenue, Superior, Wisconsin 54880).

Exercise Schedule:
Exercise Check-In: 0800
Start of Exercise/In-Brief: 0900
End of Exercise: 1600
Hotwash to follow end of exercise

Please register personnel and communications vehicles at this link or using the QR code:
