Join us for the 3rd Annual Minnesota School Safety Conference!

This in-person, free event brings together experts, educators, and public safety partners all passionate about creating a secure learning environment.

Our conference will cover a wide range of topics, including emergency preparedness, crisis response, behavioral threat assessment, and recovery. Engage in interactive sessions led by renowned speakers who will share their expertise and best practices.

Connect with like-minded individuals, exchange ideas, and build a strong network of professionals dedicated to keeping our schools safe. Whether you are a teacher, administrator, school resource officer, emergency manager, or public safety partner this conference offers something for everyone.

We are proud to host the conference once again free of charge to all attendees, but space is limited. Don't miss this opportunity to gain valuable knowledge, learn new strategies, and contribute to the safety of Minnesota schools.

The full agenda and speakers will be announced closer to the conference date.

The intended audience for this conference is:

- School Administrators and District Leadership
- Classroom Teachers
- School Social Workers, Psychologists and Guidance Counselors
- School Safety Professionals and Crisis Team Members
- School Technology Coordinators/Directors and Facility Managers
- School Resource Officers
- Public Safety Partners and Emergency Managers
