Dear Governor Walz,

On behalf of American Bikers for Awareness, Training and Education (A.B.A.T.E.) of Minnesota, I urge you to proclaim May as Motorcycle Awareness Month. For over twenty years, governors in our state of all parties issued similar proclamations. The month helps raise awareness for motorcyclists and the general public about motorcycle safety.

The safety of all Minnesotans on our streets and highways is vital. Motorcycle Awareness Month is a powerful tool to ensure that automobile drivers, motorcyclists, bicyclists, and pedestrians work together to reduce injuries and fatalities on our roads.

I strongly encourage you to follow the tradition of proclaiming May Motorcycle Awareness Month. Let's support Minnesota motorists to make our roads safer for all.

Sincerely,

A handwritten signature in cursive script that reads "Mary D. Franson".
