STAY SAFE MN

Free COVID-19 Rapid Tests Here

Free rapid tests are available here for your family to take home and use. Please follow instructions.

- For use on people 2 years old and older
- No appointment
- Free, no insurance or ID required
- Pick up a test and bring it home to use
- One kit per member of household (limit 10)
- Receive your results in as little as 15 minutes

To help keep your community healthy and slow the spread of COVID-19, the Minnesota Department of Health is providing free at-home rapid tests to Minnesotans at specified pick-up locations.
