

TEMPORARY WORKERS NEEDED

Short-term or long-term non-clinical work opportunities
in long-term care (LTC) with flexible schedules

Discover your future in health care through the

MINNESOTA DEPARTMENT OF HEALTH WORKFORCE PARTNERSHIP

More about this initiative

The MDH-Workforce Partnership uses a staffing platform to link long-term care facilities to potential employees for temporary positions throughout Minnesota. Register online to view open shifts and request the ones that fit your schedule and interests.

Once approved, you will be hired, trained, and paid by the LTC facilities that you are selected to work in. It's simple, flexible, and available when and where you are.

Types of jobs

- Housekeeping – routine cleaning and laundry
- Dining and dietary services – food prep, delivery, and clean up
- Activities – plan and lead creative activities
- Multipurpose – ALL of the above as needed

Why apply?

- Flexible schedule
- Develop leadership skills
- Develop critical skills in a leading industry
- Opportunity to support communities throughout Minnesota
- Establish connections within the health care industry
- Gain transferrable skills

This initiative is funded by the CDC Nursing Home & Long-Term Care Facility Strike Team Infrastructure Project CDC-RFA-CK19-1904

Benefits

- Letters of recommendation
- Wages up to \$22 per hour*
- Facilities may provide incentives: free meals during shifts, mileage reimbursement, and lodging**
- Boost your resume
- Gain valuable work experience
