

Get a free flu shot

**December
15 & 29**

Dakota County is hosting free flu vaccine clinics open to the public.

The COVID-19 vaccine/booster will also be available.

Thursday, Dec. 15

Western Service Center, Apple Valley
12:30–5:30 p.m.

Thursday, Dec. 29

Northern Service Center, West St. Paul
12:30–5:30 p.m.

Register now at

www.dakotacounty.us,
search *clinic*. Walk-ins are
available but appointments
are preferred.

There are early signs that this flu season in the U.S. could be severe. Here are the best ways to stay safe this season:

Get your flu shot. Everyone ages 6 months and older should get a flu vaccine.

Get your COVID-19 booster the same day.

It's safe and convenient to get your flu shot and your COVID-19 vaccine or booster the same day.

Questions? Call the Dakota County Immunization Information Line at 952-891-7999.
