[Webex Registration: Strategies for responding to the psychosocial needs of Afghan communities: Two state approaches \(https://minnesota.webex.com/weblink/register/rba06840a745db709fac2ff67a34c9880\)](https://minnesota.webex.com/weblink/register/rba06840a745db709fac2ff67a34c9880)

LEARNING OBJECTIVES

- Identify how states can more effectively identify and meet the psychosocial needs of Afghan newcomers.
- Explore two approaches to community needs assessment.
- Learn strategies and tactics for forming sustainable partnerships for responding to emergent psychosocial needs.
- Explore two strategies for capacity building across different phases of community resettlement.
- Describe at least one creative utilization of existing infrastructure and relationships during a rapid response.
