### LEARNING OBJECTIVES

- Identify existing electronic clinical decision tools and available learning opportunities for newcomer health.
- Employ clinical decision tools to perform appropriate screening and management actions for newly arrived newcomer patients.
- Utilize newcomer health clinical decision tools to identify patients in need of outreach for completion of newcomer screening and management.
- Understand how existing newcomer clinical decision support tools can be adapted to support broader populations.

Center of Excellence in Newcomer Health  
Minnesota Department of Health

### CME/CONTINUING EDUCATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Minnesota Medical Association and Minnesota Department of Health. The Minnesota Medical Association (MMA) is accredited by the ACCME to provide continuing medical education for physicians.

The Minnesota Medical Association designates this live internet activity for a maximum of *1.0 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Other participants will receive a proof of attendance document from MDH following completion of a post-webinar evaluation and are responsible for determining if this training meets CE criteria for their professional organization.
