(<https://events.gcc.teams.microsoft.com/event/83c3daec-b74e-4c67-8eec-29039d0ba136@eb14b046-24c4-4519-8f26-b89c2159828c>)

LEARNING OBJECTIVES

- Explain how opioid dependence occurs in newcomer communities and protective factors that can be put in place
- Identify key assessments, treatments, and challenges to accessing care for opioid use disorders
- Describe how a community-centered approach to treatment can benefit the recovery for newcomers experiencing opioid use disorders
- Recognize two communication strategies clinicians can implement to facilitate conversations regarding substance use with newcomers

MODERATOR

Patricia Shannon, PhD, LP

Associate Professor, School of Social Work
University of Minnesota

CME/CONTINUING EDUCATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Minnesota Medical Association and Minnesota Department of Health. The Minnesota Medical Association (MMA) is accredited by the ACCME to provide continuing medical education for physicians.

The Minnesota Medical Association designates this live internet activity for a maximum of *1.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Other participants will receive a proof of attendance document from MDH following completion of a post-webinar evaluation and are responsible for determining if this training meets CE criteria for their professional organization.

The Center of Excellence in Newcomer Health is supported by NU50CK000563 (MN) from the U.S. Centers for Disease Control and Prevention.
