Haitian Culture and Health Screening Considerations

<https://events.gcc.teams.microsoft.com/event/5ca64956-dfc5-46fc-ba3c-09d098045a1d@eb14b046-24c4-4519-8f26-b89c2159828c>

LEARNING OBJECTIVES

- Describe the history of migration of Haitians to the United States, and current drivers of migration.
- Discuss potential health issues and disparities of Haitians residing in the U.S.
- List three required or recommended components of medical screening/care for Haitian new arrivals.
- Describe two health care access problems faced by Haitians in the U.S.
- Identify at least three cultural considerations when providing care for Haitians in the United States.

Haitian Newcomers: Considerations for Perinatal and Reproductive Health

Tuesday, January 21, 2024

1 – 2:30 p.m. ET | 12 – 1:30 p.m. CT | 11 a.m. – 12:30 p.m. MT | 10 – 11:30 a.m. PT

CME/CONTINUING EDUCATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Minnesota Medical Association and Minnesota Department of Health. The Minnesota Medical Association (MMA) is accredited by the ACCME to provide continuing medical education for physicians.

The Minnesota Medical Association designates this live internet activity for a maximum of *1.5 AMA PRA Category 1 Credit(s)[™]*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Other participants will receive a proof of attendance document from MDH following completion of a post-webinar evaluation and are responsible for determining if this training meets CE criteria for their professional organization.

The Center of Excellence in Newcomer Health is supported by NU50CK000563 (MN) from the U.S. Centers for Disease Control and Prevention.
