FROM: Steve McLaird – Director – Bus Operations
TO: All Operators
SUBJECT: Minneapolis Public School Student Pass Distribution

Minneapolis Public Schools began on Wednesday, September 8, 2021, and are still in the process of distributing Student Passes to eligible students.

If an individual identifies themselves as an MPS student but does not have a Student Pass, please allow them to board without a fare and record the ride by pressing KEY C.

MPS students can ride buses or trains Weekdays from 6 a.m. until 8 p.m. All students agree to abide by Metro Transit's Code of Conduct and will be reminded of safety protocols, including the requirement to wear masks on transit.

Downloadable passes that can be printed or displayed on a device may be provided to students who have not yet received a Student Pass. Please also accept these passes as proof of fare payment.

Please watch for future updates and contact a manager or garage coordinator if you have questions or concerns.

Thank you for your patience during this transition period.
