

Help us learn and grow

We have been working to strengthen employee engagement practices in four key areas:

- Sharing information
- Supporting growth and development
- Seeking staff input
- Recognition

To help us know how we're doing and where we need to focus more energy, all employees are invited to take a brief survey by **Friday, Feb. 24.**

To access the survey, use your camera to scan the QR code.

Survey results will be shared with managers of supervisors and managers to guide skill development. Names will not be associated with answers or survey results.
