

2023 Heading Home Ramsey HUD CoC NOFO Pre-Application

This form is meant to collect preliminary information about projects seeking funding through the 2023 HUD-CoC Notice of Funding Opportunity (NOFO) for Heading Home Ramsey (MN-501). The form will not allow you to save and return, so it is advisable that projects use the PDF version of the survey provided by the CoC to prepare their answers in an external document before beginning the survey, and then enter those answers into the form. Agencies should submit one form per project and all information entered into the form should be relevant to that individual project. The priority deadline for the form is May 26, 2023. Applications submitted by the priority deadline will receive feedback from the Housing Stability Department and/or Ranking and Performance Committee. The final deadline is June 9, 2023. Reach out to Alyssa Keil, alyssa.keil@co.ramsey.mn.us, with any questions.
