

# New! Sprockets Youth Program Map

<https://tinyurl.com/StPaulYouthProgramMap>

Sprockets is a network of many different after-school and summer programs in Saint Paul. Check out the new map to find a variety of organizations where young people can get involved in great opportunities to explore, learn, and grow.

## Search

Use the "Address Search" bar to identify programs near your home, or specific areas of the city. This will default to program locations with 0.5 miles of that address. Note: the search distance can be adjusted.

## Filter

Click on the "Map Layers" on the left to adjust the types of locations that appear in the search. Layers include Community Organizations, Recreation Centers, Libraries, and Schools.

## Learn More

Click on a location icon for additional information, including a brief description and a link to the organization's website.
