

DHEWD Employee Appreciation Week 2024

Greetings from the Best Place to Work Committee!

We hope that you will enjoy DHEWD's 2024 Employee Appreciation Week. Our committee has worked diligently to bring you extra joy, fun, and most importantly- appreciation throughout the end of the month. We encourage you to participate in the DHEWD Spirit Days, coordinate potlucks amongst colleagues, and appreciate those you work closely with. It is important to recognize one another for our strengths and enjoy the unique qualities that each of us bring to DHEWD! **When printing this packet, select the "print on both sides" option to save printing materials.** Please read below for details on how to make the most of this appreciation week, and thank you for making DHEWD the best place to work!

Sincerely,

BPTWC

This Weeks Activities

- Bingo
 - Use your DHEWD BINGO card to help navigate employee appreciation week. Your designated Bingo Card is determined by the first letter of your last name. You may only use this card.
 - To get bingo, DHEWDs should complete five tiles in a row either horizontally, vertically or diagonal. Bingo winners may email a photo of their completed card to cade.tremain@dhewd.mo.gov no later than Monday, July 1st to be entered into a drawing.
 - Prizes for the drawing are in the form of various gift cards and DHEWD Store credit. DHEWDs will have a chance to win between \$5-\$20 worth these prizes.
 - An extra "Bingo" on a card will equal one extra entry, capping at a maximum of four entries per person.
- DHEWD Potluck Cookbook

Strive Employee Life and Family Program (SELF)

State employees eligible for MCHCP medical coverage and members of their household may use the SELF program 24 hours a day, every day of the year at no extra cost. You can keep using the SELF program for 18 months following retirement and through the month you are laid off. Your household members can use the SELF program for six months after your death.

Local, Private, In-Person Counseling- The SELF program offers behavioral health counseling services to help with everyday issues such as stress, relationships, parenting, grief and loss and substance use. Trained staff will listen to your concerns and refer you to a local counselor for in-person help. You can get up to ten counseling sessions per problem, per year, per person. There is no limit on the number of different problems. Additional counseling sessions may be covered by an MCHCP medical plan.

Money Matters- The SELF program offers FinancialConnect® for phone sessions with a Certified Public Accountant or Certified Financial Planner. These experts can help you with a wide range of money issues, including how to get out of debt, retirement planning, and saving for college.

Legal- The SELF program offers LegalConnect® for phone sessions with an attorney. You can talk with an attorney to ask questions, get legal help and plan next steps. For in-person legal help, LegalConnect® will refer you to a local attorney for a 60-minute session and a 25 percent discount for additional time.

Identity Theft and Fraud Resolution- The SELF program offers IDResources® for a phone session with a fraud resolution specialist and legal and financial experts. You can get a 60-minute session to help with identity theft or fraud and to restore damaged credit.

Everyday Support- the SELF Program offers FamilySource® for help with everyday issues such as child and elder care, moving and relocation, making major purchases, vacation planning and much more. You can call or go online to get expert help. FamilySource® staff will listen to you and create a plan for getting the services you need.

This plan will be done within two business days but may be finished within 24 hours depending on your needs. Your plan will be sent by e-mail, fax or mailed second day air to you. The plan will include advice specific to your needs such as:

- At least three local referrals with maps and directions to each
- Specific state-licensing standards for facilities and providers
- Checklists to help review facilities and providers

Online Library of Helpful Tools- The SELF program offers GuidanceResources® Online for more information and advice. This tool includes an online library that covers topics such as health, wellness, consumer, family, career, education, legal and finance. You can also use the "Ask a Guidance Consultant" feature to find the information you need.
