**Re: Supplemental Notice No. 4 of Plant Closing Pursuant to the Federal WARN Act, St. Louis Post Dispatch – PPC Facility, Maryland Heights, MO (FEIN: 43-1885357)**

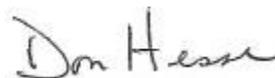

To Whom It May Concern:

As reflected in my October 29, 2024 notice, St. Louis Post-Dispatch (the “Company”) is in the process of permanently closing its Pulitzer Publishing Center facility located at 11695 Fairgrove Industrial Boulevard, Maryland Heights, MO 63043 (the “PPC facility”) and terminated the employment of the majority of its employees on January 5, 2025.

Due to changes in final staffing requirements at the PPC facility, the Company recently determined the need to extend the employment of all its four remaining employees, who previously were scheduled for separation on August 29, 2025. As indicated in Exhibit A, Company expects these separations to occur on September 26, 2025, and on December 26, 2025, or within 14 days thereafter. All other terms outlined in the notice dated October 29, 2024, remain in effect.

Should you have any questions regarding this matter, please contact me at (314) 340-8691 or donhesse@post-dispatch.com.

Sincerely,

Don Hesse  
Vice President of Human Resources, Labor & Operations  
St. Louis Post-Dispatch
