**Re: Supplemental Notice No. 6 of Plant Closing Pursuant to the Federal WARN Act, St. Louis
Post Dispatch – PPC Facility, Maryland Heights, MO
(FEIN: 43-1885357)**

To Whom It May Concern:

As reflected in an October 29, 2024, notice, St. Louis Post-Dispatch (the “Company”) is in the process of permanently closing its Pulitzer Publishing Center facility located at 11695 Fairgrove Industrial Boulevard, Maryland Heights, MO 63043 (the “PPC facility”) and terminated the employment of the majority of its employees on January 5, 2025.

Due to changes in final staffing requirements at the PPC facility, the Company recently determined the need to extend the employment of its three remaining employees, who previously were scheduled for separation on September 1, 2026. As indicated in Exhibit A, Company expects these separations to occur on November 30, 2026, or within 14 days thereafter. All other terms outlined in the notice dated October 29, 2024, remain in effect.

Should you have any questions regarding this matter, please contact me at 402-680-3746 or kellie.graham@lee.net.

Sincerely,

Kellie Graham
