MISSOURI WEEKLY CATTLE AUCTION SUMMARY

Total Receipts: 28,561 Week Ago: 30,445 Year Ago: 33,351

Compared to last week, feeders sold 10.00 to 25.00 lower. Another tough and disappointing week in the cattle complex as nearly every aspect of the market was sharply lower. Supply was light to moderate with not as many feeders at auctions as lower prices last week discouraged marketing. A moderate to heavy supply of slaughter and replacement cattle even though those markets have also lost significant ground as of late. Dryness and water concerns persist in the south with many already feeding at least some hay. Much cooler temperatures arrived along with the first frost of the year which should ease some health concerns for some of the higher health risk calves if the coolness sticks around. A few stick-out sales this week included: 20 head of 502 lbs. steers at Tina Livestock Market that sold for 454.00. Green City Livestock Market sold 22 head of 566 lb. steers for 445.00 and 35 head of 611 lb. steers for 429.00. Lolli Brothers Livestock Market sold 55 head of 674 lb. steers for 389.50 and 71 head of 784 lb. steers for 345.00. Joplin Regional Stockyards sold 32 head of 720 lb. steers for 365.00 and 196 head of 834 lb. steers for 344.00. Kingsville Livestock Auction sold 62 head of 906 lb. steers for 329.00. Tina Livestock Market sold 21 head of 510 lb. heifers for 410.00. Kingsville Livestock Auction sold 72 head of 743 lb. heifers for 334.00. Boxed beef cut-out values were mixed for the week. Choice closed at 360.79, down 3.87, and Select closed at 353.56, up 1.58 compared to last week. The choice/select spread is 7.23 per cwt. Negotiated feedlot sales as of the 2:00 cutoff time on Friday were reported to be just under 68K head, trade started early in the week, and prices dropped as the week progressed. With the market being sharply lower this week. Most trade was mid-week with live sales at 218.00 and dressed sales at 340.00, however by end of the week those prices were nowhere in sight with some late-week sales reported at 208.00-215.00 live and 325.00-330.00 dressed. The Missouri Stocker formula consists of 4249 head with a weighted average weight of 543.75 lbs. and a price value of 406.74, 12.69 lower than last week. The steer/heifer is 44.49 per cwt.
