

The sender of the e-mail is "KnowBe4 <do-not-reply@training.knowbe4.com>". Click the hyperlink to enter into the assigned training.

The KnowBe4 dashboard will load. Click the "Go to Training" button.

Click the “Start” button.

The screenshot shows the KnowBe4 Training dashboard. At the top, there are navigation links for Dashboard, Training, Library, and KnowBe4 Learner App. Below this is a banner for the KnowBe4 Learner App with a 'Learn More' button. The main content area features a course card for '2023 Danger Zone'. The card includes a 'Start' button, a language dropdown menu set to 'English (United States)', and the course title 'State of MO - Security Training Awareness Training TEST'. A red box highlights the 'Start' button, and a red arrow points to it from the right. Above the course title, there are two informational tags: 'Expected course duration of 5 minutes' and '15 days left until due date'. The footer contains the KnowBe4 logo and copyright information.

When you click “Start” you will be brought to this screen.

The screenshot shows the same KnowBe4 Training interface as above, but with a white pop-up message centered on the screen. The message reads: 'Your assignment has been launched in a new window. If you do not see it, a pop-up blocker may be preventing it from opening. Please disable pop-up blockers for this site.' The background content is dimmed. The 'Start' button and the course title 'State of MO - Security Training Awareness Training TEST' are still visible behind the pop-up. The footer remains the same.

Your training will have opened in a new window. Complete your training here.
