

May 15th • 11:30 a.m.
(Webex)

Using the philosophy that “those who are happy at home perform better on the job,” this workshop was developed for those who feel burdened with too many responsibilities and without enough time for personal enjoyment.

This workshop will help participants explore and define home responsibilities, identify career requirements, and prioritize leisure time. The resulting better balance will help achieve more in one’s career and at home.
