

Hennepin Ave S Reconstruction Project

(W Lake St. to Kenwood Isles)

Construction & Traffic Impact Update

January 20 – February 29, 2024

Page 1

Construction work: — Xcel Energy Duct Bank

Partial Intersection Restriction

Traffic impact: — Lane Closures

Travel Lanes

WHAT'S HAPPENING

Lake St to Kenwood Isles

- Utility Construction will continue on Phase 1 of the Hennepin So. Reconstruction Project from Lake St to 26th St. This work will continue until April 2024.
- Current utility work consists of Xcel Energy installing new concrete duct banks along the east side of the corridor.
- Work will begin at Lake St starting about Feb. 2nd and will go through the end of Feb. North bound lanes from 31st to Lake will be closed starting about Feb. 2nd for 1-week
- Work at Lagoon is finishing up at the end of Jan and all lanes will reopen on Lagoon.

WHAT TO EXPECT

Lake St to Kenwood Isles

- Utility work using heavy equipment will increase noise, vibration, and dust in work areas and sidewalks.
- Vehicle traffic will reduce travel lanes down to 1-lane in both directions during non-rush hours. Depending on the block's construction activity.
- Cross streets will at times be reduced to 1-lane.
- Parking lanes will be closed at certain locations.
- Business access will remain open during the construction.
- Pedestrian detours will be set up as needed. Greater impacts can be expected at intersections where work is occurring.
- Metro Transit bus stop closures will occur depending on location of activity. Service on the corridor will remain until Spring 2024.
