YOU SHARED, WE LISTENED LEARN ABOUT OUR PROGRESS

You shared your thoughts on which social services, resources and other uses that you would like to see in the South Minneapolis Community Safety Center.

We invite you to stay involved in this process! Join us on November 18 to hear about services and resources in the future center, progress updates, and how your feedback is being used to shape the plans of the new center.

Our goal is to create a Community Safety Center that reflects the needs of the community we are serving. City staff will be available for Q&A after the presentation.
