Man dies at hospital after shooting, MPD investigating

January 3, 2025 (MINNEAPOLIS) Minneapolis Police Chief Brian O'Hara said that a 21-year-old man died after being shot Friday evening.

On January 3, 2025, at approximately 6:20 p.m., officers from the 4th Precinct responded to the 3200 block of Fremont Ave N for a ShotSpotter activation. When officers arrived, they located a man with apparent life-threatening gunshot wounds. They provided immediate medical aid including performing CPR. The man was transported by EMS to North Memorial Medical Center, where he later died.

MPD homicide investigators responded to the scene to begin determining the sequence of events that led up to the shooting.

"Our investigators will work tirelessly to try and find answers about what happened to this man for his family," said Chief O'Hara. "I urge anyone who may know what happened to contact our investigators."

Minneapolis Forensic Scientists responded to process the scene.

The Hennepin County Medical Examiner will release the identity of the deceased individual along with the cause and manner of death.

The GO# for this incident is 25-002478.
