Just before 1:30 p.m., Third Precinct officers responded to a ShotSpotter activation and multiple 911 calls reporting gunfire on the 2900 block of Clinton Avenue. Near the intersection of E 29<sup>th</sup> Street and Clinton Avenue, officers located a man who had died from gunshot wounds and another man with potentially life-threatening gunshot wounds. Four other injured men and one injured woman were found at locations along Lake Street, approximately one or two blocks away. The five men and one woman who were injured by gunfire were transported by ambulance to Hennepin Healthcare Hospital. All are expected to survive their injuries.

“The level of firepower unleashed in broad daylight on a city street is sickening and completely unacceptable,” said Chief O’Hara. “Our thoughts are for the victim who lost his life, with those who are now fighting to recover from their injuries, and with the families and community members who are forever impacted by this violence. As your police department, we remain steadfast in our mission to reduce serious crime while rebuilding trust with the people we serve. We will continue to fight every single day to make every block in this city safe for every resident and every family. But we cannot do this work alone. We need our community’s help, and we are urging anyone with information about this shooting to please come forward—anononymously if necessary—so that together, we can hold those responsible accountable and prevent further harm.”

The Hennepin County Medical Examiner's Office will release the name of the deceased man along with the official cause and manner of death.
