

PAINT IN TUSCANY

MAY 24-31, 2020

Paint in Italy with Carol Hartman in any medium of your choice.

"Applying Significance of the Past to Plein Air of Today"

The workshop will cover perspective, shape, light and shadow, color, and emotion through early morning film, gallery touring, and sketches into actually emphasizing those elements in our daily paintings. We will explore concepts of prominent Italian artists from Renaissance, Impressionism, Neo-Impressionism, Symbolism, Futurism, and into Italian Plein Air artists. By incorporating the significance of each of these movements into our paintings, our skills and aesthetics will be enriched through Italian history as each student finds significance in their own individual approach to styles and concepts.
