[OR JOIN VIRTUALLY HERE](#)

CONTACT JOSH.WAGONER@MT.GOV TO RSVP OR FOR MORE
INFORMATION

Please join MSU Extension and Montana Department of Agriculture, along with other key partners to continue developing shared strategic plans for Palmer amaranth and waterhemp, two weeds threatening Montana agriculture. Meeting talking points will include:

- Species Overview: Key Identification Characteristics, Biology, and Distribution
- Update: Past and Current Efforts
- What to Watch For: Locations and Likely Vectors
- Reporting and Creating Action Plans, if Found
- Mapping
- Roles
- What is Working
- How Can We Improve
- Collaboration Opportunities
- Next Steps: How to Proceed into the 2023 Growing Season and Beyond

The Task Force meeting will be followed with public presentations for producers in Sidney (1/26 at 10:30 AM), Westby (1/26 at 5 PM), and Scobey (1/27 at 9 AM).
