

Wild Spotter Invasive Species Ambassador Training

February 3–5, 2026 | Lake Guntersville State Park & Lodge, Alabama

Protect the Places You Love. Lead the Change.

Are you ready to step up as a champion for wild places?

The **Wild Spotter Invasive Species Ambassador Training** is a fast-paced, hands-on program designed to build leadership skills, engage communities, and launch ground-up invasive species campaigns where they matter most.

What You'll Learn

- ✓ Building partnerships & engaging stakeholders
 - ✓ Branding & marketing invasive species programs
 - ✓ Using the Wild Spotter app & EDDMapS for real-time reporting
 - ✓ Recruiting & coordinating volunteers
 - ✓ Growing sustainable leadership skills
 - ✓ Networking with experts & peers
-

Who Should Attend

- Natural resource managers
 - Volunteer & outreach coordinators
 - Site managers & conservation groups
 - Weed wranglers & community stewards
 - Anyone ready to lead invasive species efforts!
-
