

# Palmer Amaranth & Waterhemp Task Force Meeting

March 25, 2026, 9:00 a.m. to 2:00 p.m. Mountain Time

Lewistown Eagles Club

124 W Main St, Lewistown, Montana

Local, state, and federal agencies, producers and landowners, and industry representatives, please join us, in-person or online, to share experiences, discuss strategies, and plan future efforts for preventing, eradicating, containing, and managing these two high priority new invaders. In addition to scheduled presentations, time will be available for input from all collaborators and for dialogue. Partners from Montana and surrounding states and provinces are welcome. The goal of this meeting is to formulate an action plan for Montana to follow for the next 2 to 3 years before reconvening.
