

Child Ready Pediatric Trauma ECHO

Friday, March 15, 2024

8 a.m. – 9 a.m. MST

Child Sexual Abuse

Presented by

Rebecca Greenlee Girardet, MD

Course Description: This didactic presentation will highlight key concepts for the clinical management of children presenting with sexual abuse concerns. The presentation will also briefly address approaches for preventing child sexual abuse.

Learning Objectives:

1. Know the appropriate clinical management of children and adolescents presenting for concerns of sexual abuse, including sexualized behaviors
2. Explain why sexually abused children may have normal medical examinations
3. Recognize the significance of various sexually transmitted infections
4. Be able to name effective and promising child sexual abuse prevention measures

The Child Ready Pediatric Trauma ECHO program provides a consultative link between pediatric emergency specialists and clinicians, including EMS, nursing, advanced practice providers and physicians throughout New Mexico and beyond. We strive to provide pediatric emergency consultations regarding pediatric urgent or emergent conditions, and to train clinicians at distant sites to become experts in the care of these patients and serve as local resources for pediatric care.

Monthly 1-hour virtual sessions present evidenced-based practices, provide resources and allow participants to discourse on pediatric quality improvement efforts.

Topics have covered recognizing child abuse injuries, updates on COVID, handling respiratory conditions, pediatric emergency preparedness and more.

WHEN: 3rd Friday of the month
TIME: 8:00am - 9am MST

February 16, 2024
March 15, 2024
April 19, 2024
May 17, 2024
June 21, 2024

Continuing education credit will be available for physicians, nurses and EMS personnel.

July 19, 2024
August, 16, 2024
September 20, 2024

In support of improving patient care, this activity has been planned and implemented by El Centro Family Health and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.

About Us: The NM EMSC Child Ready program, our goal is to prepare New Mexico's emergency departments, EMS services/agencies, and health care providers to care for emergently ill or injured children.
