Adolescent Health Curriculum Funding Opportunity

The Department of Public Health and Human Services has a funding opportunity to provide Adolescent Health curriculum which meets health enhancement standards:

- Comprehend concepts related to health promotion and disease prevention to enhance personal health (1.1, 1.2),
- Analyze the influence of family, peers, culture, media, technology, and other factors on health behaviors (2.1, 2.2),
- Demonstrate the ability to access valid information, products, and services to enhance health (3.1, 3.2),
- Demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks (4.1, 4.2),
- Demonstrate the ability to use decision-making skills to enhance health and safety (5.1, 5.3, 5.4),
- Demonstrate the ability to use goal-setting skills to enhance health (6.1a, 6.2a),
- Demonstrate the ability to practice health-enhancing behaviors and avoid or reduce health risks (7.1, 7.3).

Options:

Personal Responsibility Education Program (PREP)

Educates middle and high school youth on the following subject areas: healthy relationships, adolescent development, HIV/STI and pregnancy prevention through abstinence and contraception, financial literacy, parent-child communication, educational and career success, and healthy life skills such as goal setting and communication.

Curriculum options: Draw the Line/Respect the Line, Making Proud Choices, Reducing the Risk, We R Native, Positive Potential

Sexual Risk Avoidance Education Program (SRAE)

Educates middle and high school youth on the optimal health behavior of avoiding non-marital sexual activity and other risky behaviors, as well as the benefits associated with self-regulation, healthy relationships, goal setting, resisting sexual coercion, dating violence, and other risk behaviors such as underage drinking.

Curriculum options: Draw the Line/Respect the Line, Power Up Speak Out, REAL Essentials, Making a Difference

*By end of current school year
