

Special Olympics Unified Champion Schools BPA Special DOTS and State Summer Games

Business Professionals of America held their State Leadership Conference on March 9-11, 2025 in Billings, where 1290 middle and high school students and advisors came together for competition, learning and fun! Special Olympics Montana is the philanthropic organization for Montana BPA and collaborated to provide members with the opportunity to participate in a Special Olympics celebration during the conference. Students and advisors participated in various activities during the event, learning more about

inclusion and acceptance and also creating good luck signs to be displayed during the Special Olympics State Summer Games in Billings in May. In addition, BPA chapters fundraised throughout the school year, made Special DOTS posters to creatively display their fundraising efforts and presented their donations to Special Olympics Montana, raising \$9,270! Thank you, Business Professionals of America, for your fundraising efforts and support of Special Olympics athletes and unified partners!

Special Olympics State Summer Games are in Billings this year, May 14-16, 2025! Visit www.somt.org to sign up to volunteer for this exciting event!

Not yet a Unified Champion School? [Click here](#) to complete the UCS Commitment Form and start the inclusion revolution in your school, district, and community! Special Olympics Unified Champion Schools® is a program for schools Pre-K through university that intentionally promotes meaningful social inclusion by bringing together students with and without intellectual disabilities to create accepting school environments utilizing three interconnected components: Special Olympics Unified Sports®, inclusive youth leadership, and whole school engagement.
