Congratulations on registering your new business! **YOU MAY STILL HAVE SOME ITEMS PENDING.** This letter is intended to inform you about important documents which may still be required to operate your business. The documents listed below are not the same as registering your business and may require additional steps.

EIN (Tax ID)

- Employer Identification Number, also called a Federal Tax ID, is a 9-digit number associated with your business and is issued by the IRS.
- **All businesses are required to register** with the federal government and obtain an EIN*. **Fines can be up to \$10,000.**
- An EIN is also required to hire employees, open a business bank account, file taxes, apply for business loans / lines of credit, and other business purposes.

Labor Law Posters

- State and Federal law mandate employment posters be displayed which inform employees of their rights under the NRA (National Labor Relations Act).
- **It is required by Federal & State Law** for these posters to be posted in a visible location of the workplace for businesses with at least one employee. Penalties and fines can be upward of \$25,000 and lead to potential lawsuits.

Certificate of Status

- Certifies that your company is in existence & **authorized to transact business** in the state of Montana.
- This certificate may be required for you to renew business licenses, to open your business bank account, to register a Montana formed company as foreign entity in another state, and/or other business purposes.
